The Honorable Larry Whaley  
Osceola County Clerk of Courts  
2 Courthouse Square, Suite 2000  
Kissimmee, FL 34741

Dear Mr. Whaley:

In reference to Osceola County's submission for authorization to upgrade to the Maximus Courtview case maintenance system, this letter is to advise you that the Florida Courts Technology Commission has approved your request. The response was delayed due to the pending re-establishment of the Commission and issuance of a new Administrative Order, which was executed on December 30, 2005. The review process was completed on March 23, 2006, by the new Commission.

The Commission is satisfied that the specifications for the Maximus Courtview software are in compliance and meet the criteria as set forth in the Functional Requirements Document, Technical Standards and Statewide Strategic Plan, as promulgated by Supreme Court Administrative Order 16 executed on April 8, 2003. Should you have any questions, please feel free to call my office.

Sincerely,

A handwritten signature in cursive script that reads "Charles A. Francis".
