1. Definitions. The State Court System Purchasing Directives govern Procurement within the Judicial Branch. However, we adopt the definitions contained in s. 60A-1.001, F.A.C. shall apply to this agreement. The following additional terms are also defined:

- (a) “Contract” means legally the enforceable agreement that results from a successful solicitation. The parties to the Contract will be the Court and Contractor.
- (b) “Court” means the State Court System entity that will order products directly from the Contractor under the Contract.
- (c) “Product” means any deliverable under the Contract, which may include commodities, services, technology or software.

2. Product Version. This purchase shall be deemed to reference a manufacturer’s most recently release model or version of the product at the time of the order, unless the Court specifically requests in writing an earlier model or version and the contractor is willing to provide such model or version.

3. Price Changed Applicable only to Term Contracts. If this is a term contract for commodities or services, the following provisions apply.

- (a) Quantity Discounts. Contractors are urged to offer additional discounts for one time delivery of large single orders. Courts should seek to negotiate additional price concessions on quantity purchases of any products offered under the Contract. State Courts shall document their files accordingly.
- (b) Best Pricing Offer. During the Contract term, if the Court becomes aware of better pricing offered by the Contractor for substantially the same or a smaller quantity of a product outside the Contract, but upon the same or similar terms of the Contract, then at the discretion of the Court the price under the Contract shall be immediately reduced to the lower price.
- (c) Sales Promotions. In addition to decreasing prices for the balance of the Contract term due to change in market conditions, a Contractor may conduct sale promotions involving price reductions for a specified lesser period. A Contractor shall submit to the Contract Manager documentation identifying the proposed (1) starting and ending dates of the promotion, (2) products involved, and (3) promotional prices compared to then-authorized prices. Promotional prices shall be available to all Courts. Upon approval, the Contractor shall provide conspicuous notice of the promotion.

(d) Trade-In. Courts may trade-in equipment when making purchases from the Contract. A trade-in shall be negotiated between the Court and the Contractor. Courts are obligated to actively seek current fair market value when trading equipment, and to keep accurate records of the process.

(e) Equitable Adjustment. The Court may, in its sole discretion, make an equitable adjustment in the Contract terms or pricing if pricing or availability of supply is affected by extreme and unforeseen volatility in the marketplace, that is, by circumstances that satisfy all the following criteria: (1) the volatility is due to causes wholly beyond the Contractor's control, (2) the volatility affects the marketplace or industry, not just the particular Contract sources of supply, (3) the effect on pricing or availability of supply is substantial, and (4) the volatility so affects the Contractor that continued performance of the Contract would result in a substantial loss.

4. Additional Quantities. For a period exceeding ninety (90) days from the date of solicitation award, the Court reserves the right to acquire additional quantities up to the amount shown on the solicitation but not to exceed \$25,000 at the prices submitted in the response to the solicitation.

5. Packaging. Tangible product shall be securely and properly packed for shipment, storage, and stocking in appropriate, clearly labeled, shipping containers and according to accepted commercial practice, without extra charge for packing materials, cases, or other types of containers. All containers and packaging shall become and remain Court's property.

6. Manufacturer's Name and Approved Equivalents. Unless otherwise specified, any manufacturers' names, trade names, brand names, information or catalog numbers listed in a specification are descriptive, not restrictive. With the Court's prior approval, the Contractor may provide any product that meets or exceeds the applicable specifications. The Contractor shall demonstrate comparability, including appropriate catalog materials, literature, specifications, test data, etc. The Court shall determine in its sole discretion whether a product is acceptable as an equivalent.

7. Inspection at Contractor's Site. The Court reserves the right to inspect, at any reasonable time with the prior notice, the equipment or product or plant or other facilities of a Contractor to assess conformity with the Contract requirements and to determine whether they are adequate and suitable for proper and effective Contract performance.

8. Safety Standards. All manufactured items and fabricated assemblies subject to operation under pressure, operation by connection to an electric source, or operation involving connection to a manufactured, natural, or LP gas source shall be constructed and approved in a manner acceptable to the appropriate State inspector. Acceptability customarily requires, at a minimum, identification marking of the appropriate safety standard organization, where such approvals of listings have been established for the type of device offered and furnished, for example: the American Society of Mechanical Engineers for pressure vessels; the Underwriters Laboratories and/or National Electrical

Manufacturers' Association for electrically operated assemblies; and the American Gas Association for gas-operated assemblies. In addition, all items furnished shall meet all applicable requirements of the Occupational Safety and Health Act and state and federal requirements relating to clean air and water pollution.

9. Americans with Disabilities Act. Contractors should identify any products that may be used or adapted for use by visually, hearing, or other physically impaired individuals.

10. Literature. Upon request the Contractor shall furnish literature reasonably related to the product offered, for example, user manuals, price schedules, catalogs, descriptive brochures, etc.

11. Transportation and Delivery. Prices shall include all charges for packing, handling, freight, distribution, and inside delivery. Transportation of goods shall be FOB Destination to any point within thirty (30) days after the Court places an Order. A Contractor, within five (5) days after receiving a purchase order, shall notify the Court of any potential delivery delays. Evidence of inability or intentional delays shall be cause for Contract cancellation and Contractor suspension.

12. Installation. Where installation is required, Contractor shall be responsible for placing and installing the product in the required locations at no additional charge, unless otherwise designated on the purchase order. Contractor's authorized product and price list shall clearly and separately identify any additional installation charges. All materials used in the installation shall be of good quality and shall be free of defects that would diminish the appearance of the product or render it structurally or operationally unsound. Installation includes the furnishing of any equipment, rigging, and materials required to install or replace the product in the proper location. Contractor shall protect the site from damage and shall repair damages or injury caused during installation by Contractor or its employees or agents. If any alteration, dismantling, excavation, etc., is required to achieve installation, the Contractor shall promptly restore the structure or site to its original condition. Contractor shall perform installation work so as to cause the least inconvenience and interference with the Courts and with proper consideration of others on site. Upon completion of the installation, the location and surrounding area of work shall be left clean and in a neat and unobstructed condition, with everything in satisfactory repair and order.

13. Risk of Loss. Matters of inspection and acceptance are addressed in s. 215.422, F.S. Until acceptance, risk of loss or damage shall remain with the Contractor. The Contractor shall be responsible for filing, processing, and collecting all damage claims. To assist the Contractor with the damage claims, the Court shall: record any evidence of visible damage on all copies of the delivering carrier's Bill of Lading; report damages to the carrier and the Contractor; and provide the Contractor with a copy of the carrier's Bill of Lading and damage inspection report. When a Court rejects a product, Contractor shall remove it from the premises within ten days after notification or rejection. Upon rejection notification, the risk of loss of rejected or non-conforming product shall remain with the Contractor. Rejected product not removed by the Contractor within ten days

shall be deemed abandoned by the Contractor, and the Court shall have the right to dispose of it as its own property. Contractor shall reimburse the Court for cost and expenses incurred in storing or effecting removal or disposition of rejected product.

14. Invoicing and Payment. Invoices shall contain the Contract number and the appropriate vendor identification number. The State Court Systems (SCS) may require any other information from the Contractor that the State deems necessary to verify any purchase order placed under Contract. Payment shall be made in accordance with sections 215.422 and 287.0585 of the Florida Statutes, which govern time limits for payment of invoices. Invoices that must be returned to a Contractor due to preparation errors will result in a delay in payment. Contractors may call (850) 488-3730 Monday through Friday to inquire about the status of payments by SCS entities. The Court is responsible for all payments under the Contract. A Court's failure to pay, or delay in payment, shall not constitute a breach of the Contract and shall not relieve the Contractor of its obligations to the Department or to other Courts.

15. Taxes. The SCS does not pay Federal excise or sales taxes on direct purchases of tangible personal property. The SCS will not pay for any personal property taxes levied on the Contractor or for any taxes levied on employee's wages. Any exceptions to this paragraph shall be explicitly noted by the Court on a purchase order or other special contract condition.

16. Governmental Restrictions. If the Contractor believes that any governmental restrictions have been imposed that require alteration of the material, quality, workmanship or performance of the products offered under the Contract, the Contractor shall immediately notify the Court in writing, indicating the specific restriction. The Court reserves the right and the complete discretion to accept any such alteration or to cancel the Contract at no further expense to the Court.

17. Lobbying and Integrity. Courts shall ensure compliance with Section 11.062, FS and Section 216.347, FS. The Contractor shall not, in connection with this or any other agreement with the SCS, directly or indirectly, (1) offer, confer, or agree to confer any pecuniary benefit on anyone as consideration for any SCS officer or employee's decision, opinion, recommendation, vote, other exercise of discretion, or violation of a known legal duty, or (2) offer, give, or agree to give to anyone any gratuity for the benefit of, or at the direction or request of, any SCS officer or employee. For purposes of clause (2), "gratuity" means any payment of more than nominal monetary value in the form of cash, travel, entertainment, gifts, meals, lodging, loans, subscriptions, advances, deposits, of money, services, employment, or contracts of any kind. Upon request of the Court's Inspector General, or other authorized SCS official, the Contractor shall provide any type of information the Inspector General deems relevant to the Contractor's integrity or responsibility. Such information may include, but shall not be limited to, the Contractor's business or financial records, documents, or files of any type or form that refer to or relate to the Contract. The Contractor shall retain such records for the longer of (1) three years after the expiration of the Contract or (2) the period required by the General Records Schedules maintained by the Florida Department of State (available at:

<http://dlis.dos.state.fl.us/barm/genschedules/gensched.htm>). The Contractor agrees to reimburse the SCS for the reasonable cost of investigation incurred by the Inspector General or other authorized SCS official for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the SCS which results in the suspension or debarment of the Contractor. Such costs shall include, but shall not be limited to: salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees. The Contractor shall not be responsible for any cost of investigations that do not result in the Contractor's suspension or debarment.

18. Indemnification. The Contractor shall be fully liable for all actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless the SCS and its officers, agents, and employees, from suits, actions, damages, and cost of every name and description, including attorneys' fees, arising from or relating to personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by Contractor, its agents, employees, partners, or subcontractors; provided, however, that the Contractor shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of the SCS. Further, the Contractor shall fully indemnify, defend, and hold harmless the SCS from any suits, actions, damages, and costs of every name and description, including attorney's fees, arising from or relating to violation or infringement of a trademark, copyright, patent, trade secret or intellectual property right, provided that the SCS shall give the Contractor (1) written notice of any such action or threatened action, (2) the opportunity to take over and settle or defend any such action at Contractor's sole expense, and (3) assistance in defending the action at Contractor's sole expense. The Contractor shall not be liable for any cost, expense, or compromise incurred or made by the SCS in an infringement action without the Contractor's prior written consent, which shall not be unreasonably withheld. If any product is the subject of an infringement suit, or in the Contractor's opinion is likely to become the subject of such a suit, the Contractor may at its sole expense become non-fringing. If the Contractor is not reasonably able to modify or otherwise secure the SCS the right to continue using the product, the Contractor shall remove the product and refund the SCS the amounts paid in excess of a reasonable rental for past use. The SCS shall not be liable for any royalties. Except as specified in the foregoing portions of this section, for all other claims against the Contractor under any individual purchase order, and regardless of the basis on which the claim is made, the Contractor's liability under a purchase order for direct damages shall be the greater of \$100,000, the dollar amount of the purchase order. Unless otherwise specifically enumerated in the Contract or in the purchase order, no party shall be liable to another for special, indirect, or consequential damages, including lost data or records (unless the purchase order requires the Contractor to back-up data or records), even if the party has been advised that such damages are possible. No party shall be liable for lost profits, lost revenue, or lost institutional operating savings. The SCS may, in addition to other remedies available to it at law or equity and upon notice to the Contractor, retain such monies from amounts due Contractor as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted by or against them. The SCS may set off any liability or other obligation of the Contractor or its affiliates to the State against any payments due the Contractor under

any Contract with the State. The first ten dollars paid on the awarded contract shall constitute the specific consideration for the Contractor's indemnification of the SCS.

19. Limitation of Liability. For all claims against the Contractor under any individual purchase, and regardless of the basis on which the claim is made, the Contractor's liability for direct damages shall be limited to the greater of \$100,000, the dollar amount of the purchase, or two times the charges rendered by the Contractor under the purchase. This limitation shall not apply to claims arising under the Indemnity paragraph contain in this agreement.

Unless otherwise specifically enumerated in the Contract or in the purchase order, no party shall be liable to another for special, indirect, punitive, or consequential damages, including lost data or records (unless the purchase requires the Contractor to backup data or records), even if the party has been advised that such damages are possible. No party shall be liable for lost profits, lost revenue, or institutional operating savings. The SCS and Court may, in addition to other remedies available to them at law or equity and upon notice to the Contractor, retain such monies from the amounts due Contractor as may be necessary to satisfy any claim for damages, penalties, cost and the like asserted by or against them. The SCS may set off any liability or other obligation of the Contractor or its affiliates to the SCS against any payments due the Contractor under any contract with the State.

20. Suspension of Work. The Court may in its sole discretion suspend any or all activities under the Contract, at any time, when in the best interests of the SCS to do. The Court shall provide the Contractor written notice outlining the particulars of suspension. Examples of the reason for suspension include, but are not limited to, budgetary constraints, declaration of emergency, or other such circumstances. After receiving a suspension notice, the Contractor shall comply with the notice. Within ninety days, or any longer period agreed to by the Contractor, the Court shall either (1) issue a notice authorizing resumption of work, at which time activity shall resume, or (2) terminate the Contract. Suspension of work shall not entitle the Contractor to any additional compensation.

21. Termination for Convenience. The Court, by written notice to the Contractor, may terminate the Contract in whole or in part when the Court determines in its sole discretion that it is in the SCS'S interest to do so. The Contractor shall not furnish any continued portion of the Contract, if any. The Contractor shall not be entitled to recover any cancellation charges or lost profits.

22. Termination for Cause. The Court may terminate the Contract if the Contractor fails to (1) deliver the product within the time specified in the Contract or any extension, (2) maintain adequate progress, thus endangering performance of the Contract, (3) honor any term of the Contract, or (4) abide by any statutory, or regulatory, or licensing requirement. The Contractor shall continue work on any work not terminated. Except for defaults of subcontractors at any tier, the Contractor shall not be liable for any excess costs if the failure to perform the Contract arises from events completely beyond the

control, and without the fault or negligence, of the Contractor. If the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is completely beyond the control of both the Contractor and the subcontractor, and without the fault or negligence of either, the Contractor shall not be liable for any excess costs for failure to perform, unless the subcontracted products were obtainable from other sources in sufficient time for the Contractor to meet the required delivery schedule. If, after termination, it is determined that the Contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the Court. The rights and remedies of the Court in this clause are in addition to any other rights and remedies provided by the law or under the Contract.

23. Unilateral Termination. A Court may terminate a Contract if the Contractor refuses to allow public access to all documents, papers, letters or other material made or received by the contractor in conjunction with the Contract, unless the Records are exempt from s. 24(a) of Article 1 of the State Constitution, s. 119.07(1), Florida Statutes, or 2.051 Rule of Judicial Administration.

24. Force Majeure, Notice of Delay, and No Damages for Delay. The Contractor shall not be responsible for the delay resulting from its failure to perform if neither the fault nor the negligence of the Contractor or its employees or agents contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Contractor's control, or for any of the foregoing that affect subcontractors or suppliers if no alternate source of supply is available to the Contractor. In case of any delay the Contractor believes is excusable, the Contractor shall notify the Court in writing of the delay or potential delay and describe the cause of the delay either (1) within ten (10) days after the cause that creates or will create the delay first arose, if the Contractor could not reasonably foresee that a delay could occur as a result, or (2) if delay is not reasonably foreseeable, within five (5) days after the date the Contractor first had reason to believe that a delay could result. **THE FOREGOING SHALL CONSTITUTE THE CONTRACTOR'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY.** Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. No claim for damages, other than for an extension of time, shall be asserted against the Court. The Contractor shall not be entitled to an increase in the Contract price or payment of any kind from the Court for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist the Contractor shall perform at no increased cost, unless the Court determines, in its sole discretion, that the delay will significantly impair the value of the Contract to the State or to Courts, in which case the Court may (1) accept allocated performance or deliveries from the Contractor, provided that the Contractor grants preferential treatment to Courts with respect to products subjected to allocation, or (2) purchase from other sources (without recourse to and by the Contractor for the related costs and expenses) to replace all or part of the products

that are subject of the delay, which purchases may be deducted from the Contract quantity, or (3) terminate the Contract in whole or in part.

25. Scope Changes. The Court may unilaterally require, by written order, changes altering, adding to, or deducting from the Contract specifications, provided that such changes are within the general scope of the Contract. The Court may make an equitable adjustment in the Contract price or delivery date if the change affects the cost or time of performance. Such equitable adjustments require the written consent of the Contractor, which shall not be unreasonably withheld. If unusual quantity requirements arise, the Court may solicit separate bids to satisfy them.

26. Renewal. Upon mutual agreement, the Court and the Contractor may renew the contract, in whole or part, for a period that may not exceed 3 years or the term of the contract, whichever period is longer. Any renewal shall specify the renewal price, as set forth in the solicitation response. The renewal must be in writing and signed by both parties, and is contingent upon satisfactory performance evaluations and subject to availability of funds.

27. Advertising. Subject to Chapter 119, Florida Statutes, the Contractor shall not publicly disseminate any information concerning the Contract without prior written approval from the Court, including, but not limited to mentioning the Contract in a press release or other promotional material, identifying the Court or the SCS reference, or otherwise linking the Contractor's name and either a description of the Contract or the name of the SCS or the Court in any material published, either in print or electronically, to any entity that is not a party to Contract, except potential or actual authorized distributors, dealers, resellers, or service representative.

28. Assignment. The Contractor shall not sell, assign or transfer any of its rights, duties or obligations under the Contract, or under any purchase order issued pursuant to the Contract, without the prior written consent of the Court; provided, the Contractor assigns to the SCS any and all claims it has with respect to the Contract under the antitrust laws of the United States and the SCS. In the event of any assignment, the Contractor remains secondarily liable for performance of the Contract, unless the Court expressly waives such secondary liability. The Court may assign the Contract with prior written notice to Contractor of its intent to do so.

29. Dispute Resolution. Any dispute concerning performance of the Contract shall be decided by the Court's designated Contract manager, who shall reduce the decision to writing and serve a copy on the Contractor. The exclusive venue of any legal or equitable action that arises out of or relates to the Contract shall be the appropriate state court in Leon County, Florida; in any such action, Florida law shall apply and the parties waive any right to jury trial.

30. Employees, Subcontractors, and Agents. All Contractor employees, subcontractors, or agents performing work under the Contract shall be properly trained technicians who meet or exceed any specified training qualifications. Upon request,

Contractor shall furnish a copy of technical certification or other proof of qualification. All employees, subcontractors, or agents performing work under the Contract must comply with all security and administrative requirements of the Court. The SCS may conduct, and the Contractor shall cooperate in, a security background check or otherwise assess any employee, subcontractor, or agent furnished by the Contractor. The SCS may refuse access to, or require replacement of, any personnel for cause, including, but not limited to, technical or training qualification, quality of work, change in security status, or non-compliance with a Court's security or other requirements. Such approval shall not relieve the Contractor of its obligation to perform all work in compliance with the Contract. The SCS may reject and bar from any facility for cause any of the Contractor's employees, subcontractors, or agents.

31. Security and Confidentiality. The Contractor shall comply fully with all security procedures of the SCS and Court in performance of the Contract. The Contractor shall not divulge to third parties any confidential information obtained by the Contractor or its agents, distributors, resellers, subcontractors, officers, or employees in the course of performing Contract work, including, but not limited to, security procedures, business operations information, or commercial proprietary information in the possession of the SCS or Court. The Contractor shall not be required to keep confidential information or material that is publicly available through no fault of the Contractor, material that the Contractor developed independently without relying on the SCS'S or Court's confidential information, or material that is otherwise obtainable under State law as a public record. To insure confidentiality, the Contractor shall take appropriate steps as to its personnel, agents, and subcontractors. The warranties of this paragraph shall survive the Contract.

32. Contractor Employees, Subcontractors, and other Agents. The Court and the SCS shall take all actions necessary to ensure that Contractor's employees, subcontractors and other agents are not employees of the State of Florida. Such actions include, but are not limited to, ensuring that Contractor's employees, subcontractors, and other agents receive benefits and necessary insurance (health, workers' compensations, and unemployment) from an employer other than the State of Florida.

33. Insurance Requirements. During the Contract term, the Contractor at its sole expense shall provide commercial insurance of such a type and with such terms and limits as may be reasonably associated with the Contract. Providing and maintaining adequate insurance coverage is a material obligation of the Contractor. Upon request, the Contractor shall provide certificate of insurance. The limits of coverage under each policy maintained by the Contractor shall not be interpreted as limiting the Contractor's liability and obligations under the Contract. All insurance policies shall be through insurers authorized or eligible to write policies in Florida.

34. Warranty of Authority. Each person signing the Contract warrants that he or she is duly authorized to do so and to bind the respective party to the Contract.

35. Warranty of Ability to Perform. The Contractor warrants that, to the best of its knowledge, there is no pending or threatened action, proceeding, or investigation, or any

other legal or financial condition, that would in any way prohibit, restrain, or diminish the Contractor's ability to satisfy its Contract obligations. The Contractor warrants that neither it nor any affiliate is currently on the convicted vendor list maintained pursuant to section 287.133 of the Florida Statutes, or on any similar list maintained by any other state or the federal government. The Contractor shall immediately notify the Court in writing if its ability to perform is compromised in any manner during the term of the Contract.

36. Notices. All notices required under the Contract shall be delivered by certified mail, return receipt requested, by reputable air courier service, or by personal delivery to the agency designee identified in the original solicitation, or as otherwise identified by the Court. Notices to the Contractor shall be delivered to the person who signs the Contract. Either designated recipient may notify the other, in writing, if someone else is designated recipient may notify the other, in writing, if someone else is designated to receive notice.

37. Leases and Installment Purchases. Prior approval of the Chief Financial Officer (as defined in Section 17.001, F.S.) is required for SCS agencies to enter into or to extend any lease or installment-purchase agreement of \$25,000 or more established by section 287.017 of the Florida Statutes.

38. Modification of Terms. The Contract contains all the terms and conditions agreed upon by the parties, which terms and conditions shall be govern all transactions between the Court and the Contractor. The Contract may only be modified or amended upon mutual written agreement of the Court and the Contractor. No oral agreements or representations shall be valid or binding upon the Court or the Contractor. No alteration or modification of the Contract terms, including substitution of product, shall be valid or binding against the Court. The Contractor may not unilaterally modify the terms of the Contract by affixing additional terms to product upon delivery (e.g., attachment or inclusion of standard preprinted forms, product literature, "shrink wrap" terms accompanying or affixed to a product, whether written or electronic) or by incorporating such terms onto the Contractor's order or fiscal forms or other documents forwarded by the Contractor for payment. The Court's acceptance of product or processing of documentation on forms furnished by the Contractor for approval or payment shall not constitute acceptance of the proposed modification to terms and conditions.

39. Cooperative Purchasing. Pursuant to their own governing laws, and subject to the agreement of the Contractor, other entities may be permitted to make purchases at the terms and conditions contained herein. Non-Court purchases are independent of the agreement between Court and Contractor, and Court shall not be a party to any transaction between the Contractor and any other purchaser.

40. Waiver. The delay or failure by the Court to exercise or enforce any of its rights under this Contract shall not constitute or be deemed a waiver of the Court's right thereafter to enforce those rights, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

41. Annual Appropriations. The SCS'S performance and obligation to pay under this contract are contingent upon an annual appropriation by the Legislature.

42. Execution in Counterparts. The contract may be executed in counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

43. Severability. If a court deems any provision of the Contract void or unenforceable, that provision shall be enforced only to the extent that it is not in violation of law or is not otherwise unenforceable and all other provisions shall remain in full force and effect.

44. Travel. Travel expenses must be submitted in Accordance with s.112.061, Florida Statutes. A Court may establish rates lower than the maximum provided in s. 112.061.
