

ITN15-001-LH

Modification of Calendar of Events

An extension of time was given for submission of questions. Answering those questions required additional time, resulting in a delay of posting the answers. In order to provide additional time for review of the answers and adequate preparation of a proposal, other deadlines are being extended a similar amount of time. The Calendar of Events on Page 11 of ITN15-001-LH is modified as follows:

Original Date	New Date	Description
April 17, 2015	April 22, 2015	Written Responses to Questions Posted.
May 1, 2015, 3:00pm	May 6, 2015, 3:00pm	Deadline for Receipt of Proposals (See instructions in Section F.8)
May 8, 2015	On or About May 13, 2015	Complete Review of Proposals
May 15, 2015	On or About May 20 through 22, 2015	Optional Interviews with Selected Vendors
June 1, 2015	On or About June 1, 2015	Begin Negotiations
June 15, 2015	On or About June 15, 2015	Posting of Intent to Award Contract(s)

Unless provided for in a subsequent amendment to the ITN, all other dates, requirements, conditions, and other content remain unchanged.
