Note:

1. Data on number of six-person, twelve-person, and total jury trials is for state fiscal year 2003-2004 (July 1, 2003 to June 30, 2004). The data was provided by the clerk of the court for each county or the circuit court administrator. This data is self reported through the jury management reports, and the accuracy, validity, and reliability of this data can not be confirmed by OSCA staff.
2. Data for the number of jury trials greater than five days in length is for fiscal year 2003-2004 (July 1, 2003 to June 30, 2004). The data was provided based on a survey developed by members and staff of the Work Group on Standards for Jury Panel Sizes and administered to the trial court administrators in March 2005.
3. Cells in black indicate no data reported for these counties. Cells in gray indicate a percent of total trials equal to zero.
