

Registered Court Interpreters

Registration is an initial step towards official state-level designation. The “registered” or “registration status” refers to interpreters who have satisfied general prerequisites. This status includes interpreters who have yet to meet the minimum threshold scores on an oral performance examination sufficient to qualify for an official designation. Such interpreters may be referred to as “otherwise registered” or “registered only.”

How to search the registry by name, address, etc: press Ctrl + F; and type the text you want to search in the text box
