Florida State Courts System
Class Specification

Class Title: Resource Planning and Support Services Manager

Class Code: 7280

Pay Grade: 35

General Description
The essential function of this position within the organization is to supervise the Revenue and Resource Analysis Unit and to ensure its smooth functioning and timely completion of tasks assigned by State Courts System leadership. Responsibilities of this position include all issues related to the revenue received by the State Courts System and the need for and distribution of resources. The position provides specialized methodological assistance to other units of the Office of the State Courts Administrator, as requested. The position also provides revenue and resource analyses to external entities of the courts.

Examples Of Work Performed
(Note: The examples of work as listed in this class specification are not necessarily descriptive of any one position in the class. The omission of specific statements does not preclude management from assigning specific duties not listed herein if such duties are a logical assignment to the position.)

Oversee the Revenue and Resource Analysis Unit, including management of the unit’s budget, personnel actions, time and attendance, functions, and staff.

Review analyses of judicial workload for the certification of new judgeships for the Supreme Court and assist in the assessment of the certification options. Provide methodological and analytical direction for developing the link between judicial need and the need for resources in the State Courts System.

Provide staff support to various committees and Commissions, including the Funding Methodology Committee, Trial Court Budget Commission, and District Court of Appeal Budget Commission, for resource allocations, legislative budget requests, and other ad hoc funding/workload/revenue analyses.

Provide staff support to the Revenue Stabilization Workgroup, including preparation of materials for meetings, attendance at meetings, and development of recommendations and a final report at the direction of the Workgroup.

...
RESOURCE PLANNING AND SUPPORT SERVICES MANAGER

Provide staff support to the Clerk of Court Operations Corporation Executive Council Judge Representative and maintain an understanding of the Clerks of Court’s budget and workload information.

Provide ad hoc support to the Court Statistics and Workload Committee, the Trial Court Performance and Accountability Commission, and the District Court of Appeal Performance and Accountability Commission, at the request of the Chief of Court Services.

Monitor and analyze the State Courts Revenue Trust Fund, including keeping apprised of external factors that impact the Court’s revenue, forecast revenues, produce reports for branch leadership, and produce monthly revenue remittance reports to the chief judges of the trial courts.

Perform judicial impact analyses for legislative bills related to revenue or funding issues.

Act as a consultant to other OSCA units for analyses related to workload issues.

Respond to requests for revenue, funding and resource allocation information from external entities.

Attend the Article V Revenue Estimating Conference meetings representing the Court.

Provide forecasts and other documents in support of the branch’s revenue projections.

Competencies
