Florida State Courts System
Class Specification

Class Title: Senior Court Analyst II

Class Code: 7105
Pay Grade 25

General Description

The essential function of the position within the organization is to lead in collecting, formatting, tabulating and analyzing information and statistical data for use in measuring the effectiveness of court programs and operations, and to prepare/develop reports, recommendations for improvements, new programs and training materials. The position is responsible for training and monitoring departmental personnel and/or performing research to collect data; analyzing information/data; preparing recommendations, reports and other informational documents; making presentations; developing computer programs and training materials; providing project support; and serving as an information resource and liaison. The position works independently, reporting major activities through periodic meetings.

Examples of Work Performed

(Note: The examples of work as listed in this class specification are not necessarily descriptive of any one position in the class. The omission of specific statements does not preclude management from assigning specific duties not listed herein if such duties are a logical assignment to the position.)

Performs analytical and statistical research to certify the need for additional judges for Chief Judge/Supreme Court; evaluates FY Summary Reporting System data to ensure accuracy for use in FY funding.

Conducts Summary Reporting System field audits to ensure compliance with statewide reporting requirements; performs preparatory work for audits and summarizes audit findings in preliminary and final audit reports; provides recommendations for corrective action and sets deadlines for submission of amended SRS data.

Develops and conducts training and provides technical assistance to Clerks of Court and their staff, judges and other trial court professionals on Florida's uniform case reporting system known as the Summary Reporting System; analyzes accuracy of SRS data in all divisions through filings, dispositions and jury trials.

Supervises departmental personnel, including training, assigning and evaluating work, counseling and recommending disciplinary action.
SENIOR COURT ANALYST II

Manages certified mediation training programs, including designing, implementing and teaching programs, such as mediation ethics or victim offender mediation; planning conferences for mediators and arbitrators; and responding to mediation inquiries.

Participates in special projects, such as performing caseload trend analyses, evaluating statewide judicial workload, writing articles, lecturing or performing research; collects, manages and publishes annual statewide statistics on ADR and assists with ADR policy development.

Coordinates, presents and/or responds to issues relating to such topics as restorative justice, VOM or diversity issues.

Performs administrative/clerical tasks such as preparing special reports documenting activities for the area of responsibility, authoring and managing content of the court web site, or researching federal grants.

Attends staff, committee and other professional meetings to exchange information; attends technical or professional workshops or seminars to improve professional skills; serves as staff to Mediation Ethics Advisory Committee.
